

# PET Processors (UK) by Road

## From the South

After leaving Carlisle and the M6 take the A75 travelling west for about 40Km. There is a "Shell" petrol station on the left hand side and a "Travelodge" just before roundabout 1. This now marked "Dumfries by-pass". Travel round the by-pass over 6 roundabouts. At roundabout 6, "Garroch Roundabout" turn left, there is a sign to Garroch Business Park. At the next roundabout just before the viaduct turn right into Garroch Business park. Look for the flagpole ! Both the viaduct and the footbridge are clearly seen landmarks. If required the Station Hotel (01387 254316) is accessed from roundabout 3, travel west for about 4Km, following signs to the Station.

## From the North

Travelling south from Glasgow on the M74/M6 turn off onto the A701 signposted Moffat and Dumfries. Take the west bound direction for Dumfries. At the outskirts of Dumfries pass by the Gates Rubber Comany on your left. In 200m pass over a small roundabout, then after another 300m there is a larger roundabout (number 3 on the map). Take the right-hand lane and head towards Stranrear. The footbridge and the viaduct are both clearly seen as land marks. At the Garroch roundabout turn left for 150m, then into the Business Park. PETUK is clearly seen with our logo on the building and a flagpole at the entrance.
