

# Access to PET Processors (UK) from Glasgow Airport

From this junction to the A701 turn off is about 50 miles, about 50 minutes driving. Motorway speed limit is 70 miles/hour. This motorway is new, parts of it are motorway M74, parts are still non motorway A74. Later on the M74 becomes the M6 direction Carlisle. Exit the A701, pass under the motorway, at the roundabouts take the A701 direction Dumfries

Follow the A701, speed limit is 60 miles/hour, all the way into Dumfries. Distance is about 20 miles. As you enter Dumfries look for the road signs A75 to Stranraer and Castle Douglas. Then refer to road access map download.
